Orlando Junior Academy offers a hot lunch program each day of the school year. The goal of the lunch program is to make a significant contribution to the overall physical and mental well-being of students to enable them to participate fully in the educational process. For the 2024-2025 school year, the price for a school lunch is \$5.00. To set up a lunch account, families can visit [MyMealTime.com](http://MyMealTime.com). Each month a statement is emailed to families with the balance due on their account. Parents can apply for free or reduced meals for their student. Application forms are available at the office or on the school website. Learn more at [discoveroja.com](http://discoveroja.com)
